

BAZAAR Style

Exotic florals and sumptuous medallions in lavish purples, gold and deep teal give a feel of mysterious elegance to this Moroccan-inspired collection.

FASHION

The prints on **Bazaar Style** are perfect for long skirts and maxi dresses, that can be made with contrasting waistbands in different colors and prints!

Thinking about making a tunic or sundress for this spring? The colors on the **Oasis** palette are great for that summer breeze feel, or if you're going for a sunkissed look then go for the **Desert** palette.

HOME DECOR

Bazaar Style is perfect to add some Moroccan flavor to your home. The bold florals and sumptuous medallions make great pillows for armchairs or just stack them in your favorite corner.

Transport yourself to the mysterious and exotic Moroccan landscapes without leaving your home!
