Quilt Top Assembly: vertical stripes (sew right sides together)

Stripe 1 is made from 10 3/8" strips. Start piecing the fabric strips on the order shown on the front cover picture or diagram.

Stripe 2 is made from 14 1/4" strips. Start piecing the fabric strips on the order shown on the front cover picture or diagram.

Stripe 3 is made from 12" strips and a 6 1/4" strip on each extreme (top and bottom). Start piecing the fabric strips on the order shown on the front cover picture or diagram.

After you finish, the next three stripes are a repetition of the first three.

You keep repeating stripes 1, 2 and 3 until you finish with all your fabric strips.

For the flowers, trace Template X on a cardboard and then trace this shape on the wrong side of all the 4 1/2" squares of the 3 different fabrics you have left. With right sides together, layer your applique fabric with a like-size piece of non-fusible, nonwoven interfacing. Sew the pieces together, stitching on the marked line. Cut out the flower shape, adding 1/8" allowance to all edges. Clip a small slit ONLY in the center of the interfacing (DON'T CUT THE APPLIQUE FABRIC!). Turn the applique right side out through the slit. Press with hot iron from the right side.

Applique the flowers in the spots indicated on the front cover picture by hand or by machine with a blind hem stitch.

Template X

For the inner border, sew two 66 by 3/4" fabric K strips along the top and the bottom sides of the top with a 1/4" seam allowance. Press open.

Sew the other two strips along the remaining sides of the top with a 1/4" seam allowance. Press open.

For the outer border, sew two 70 by 2 1/2" fabric H strips along the top and the bottom sides of the top with a 1/4" seam allowance. Press open.

Sew the other two strips along the remaining sides of the top with a 1/4" seam allowance. Press open.

Layer, quilt and bind with fabric B strips as desired (by machine or by hand).
