

INSPIRATIONAL BOOKLET

© 2011 ART GALLERY QUILTS, LLC - No part of this product may be reproduced in any form unless otherwise stated. These designs are not intended for commercial use and any projects made with them cannot be put for sale. ALL RIGHTS RESERVED.

Sketches are essential for me when it comes to beginning my design process. They help me visualize future project ideas before they eventually come to life. This booklet is a collection of all the ideas that have been inspired by my fabric designs. So I thought, why not share them to inspire quilters and sewers to create. I hope you enjoy this booklet filled with ideas from fashion to children's fashion, quilts and accessories to home decor.

LOVE

use intricate prints like *Ditsy Bright* for free-flowing maxi dresses to add interest and movement

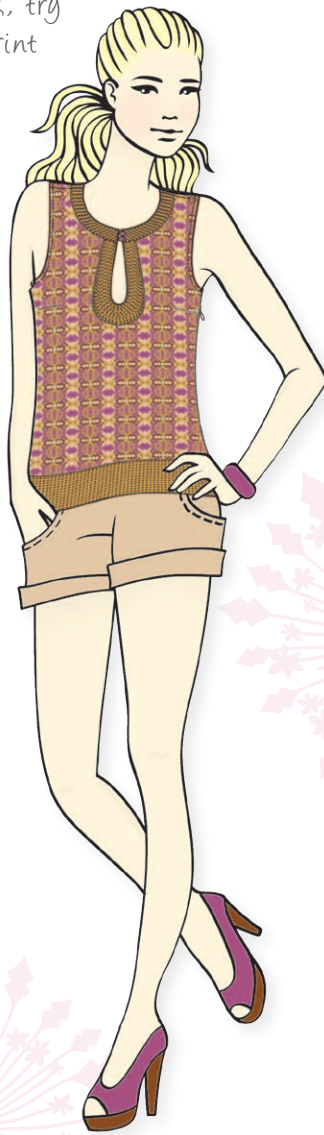

ruffled layers are a must and add bohemian flair to your outfit

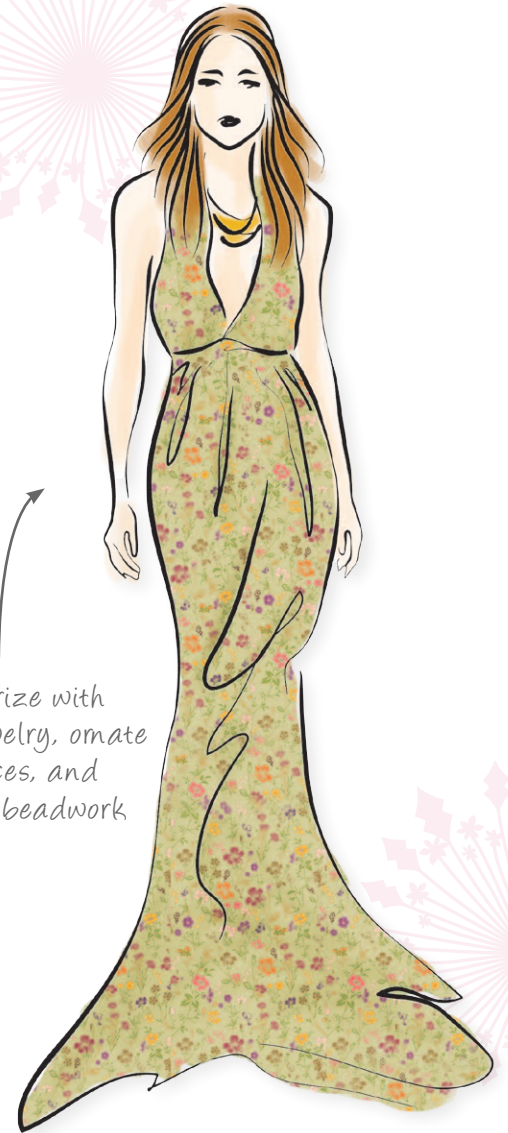

For that airy, bohemian feel, use long, flowing dresses and easygoing separates. Combine with denims and layer with crocheted knits or lace cover-ups.

FREEDOM

for a more exotic look, try combining a tribal print with a khaki bottom

accessorize with gold jewelry, ornate headpieces, and intricate beadwork

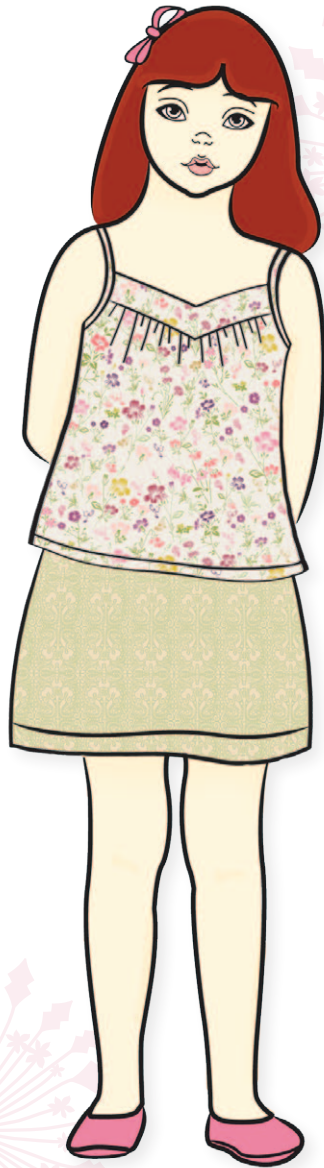

In Bohemian Soul, browns, creams, and tans offer earthy complements to feminine pinks and purples with artful florals, paisleys, ethnic tribal prints, and romantic lace textures.

LOVE

add a Lace Elements blender like *Mist Lace* for a romantic styling to your bohemian look

mix n' match prints for different takes on your favorite nightdress

Prints like *Twirls in the Sun* and *Ditsy Bright* are a great choice for childrenswear because of their playful and lively design.

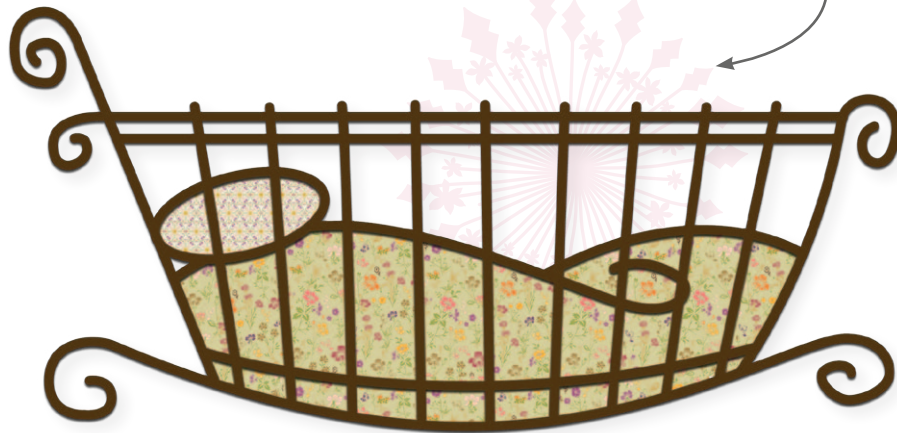

FREEDOM

The Freedom palette is full of earthy greens and soft pinks with bursts of deep purples and raspberry reds evoking the bohemian spirit.

create a girly style with bohemian blouses and ruffled skirts

make this adorable slipcover in *Ditsy Mellow* as your next sewing project

home decor

LOVE

re-purpose thrift store finds into unique and priceless pieces

a corner with lots of pillows is an ideal place to relax while reading your favorite book or magazine

The Love palette adds energy and femininity to your home with dynamic pinks, luscious purples, bold golds, and hints of foliage greens.

Floral prints like **Mystic Light** and Twirls in the Woods give a vintage presence to your home. Combine the Lace Elements blenders for an added elegance.

dark wood furniture and bronzed metalwork give an aged, vintage look to your bohemian style

fabrics take center stage when used in pillows, curtains, room dividers, and dinner mats
